Maternal & Fetal Support

Provides essential nutrients including folate, iron, iodine, and B-vitamins to support maternal wellness and healthy fetal development.

Red Blood Cell Support

Iron, folate, and vitamin B12 help support red blood cell formation and healthy oxygen transport.

Immune & Overall Wellness

Vitamins C, D3, and B-complex nutrients support immune function and overall maternal health.

Bone & Tissue Health

Calcium and Vitamin D3 work together to support bone, teeth, and muscle health for mom and baby.

Usual adult dosage is 1 tablet

once to twice daily, or as prescribed by a licensed medical practitioner.
