\*\*% Daily value not established

**Inactive Ingredients:** Isomalt, Citric Acid, Stearic Acid, Magnesium Stearate, Natural Orange Flavor, Sucralose

#### Folate

Supports healthy neural tube development and proper cell growth during pregnancy while helping reduce the risk of certain birth defects.

#### Iron

Helps support healthy red blood cell production and oxygen transport to meet the increased nutritional needs of pregnancy.

#### B-Complex Vitamins

Help convert food into energy, support healthy metabolism, and contribute to proper nervous system development.

#### Vitamin D3

Supports bone development and calcium absorption for both mother and baby while contributing to immune system health.

#### Vitamin C

Acts as an antioxidant that supports immune health, collagen production, and iron absorption during pregnancy.

**This multivitamin is the perfect addition to your daily routine, helping to fill in nutritional gaps and enhance your overall health.**
