### High-Potency Biotin

Provides 600 mcg of biotin (2,000% DV) to support hair strength, skin integrity, and nail health at a clinically relevant level.

### Antioxidant Vitamin Blend

Includes Vitamins A, C, and E to help support skin health, collagen formation, and protection against oxidative stress.

### Complete B-Complex Support

Delivers essential B vitamins (B1, B2, B3, B5, B6, and B12) to support cellular energy metabolism and healthy tissue function.

### Essential Minerals & Nutrients

Formulated with zinc, iron, copper, iodine, calcium, magnesium, and choline to support tissue maintenance, nutrient balance, and overall hair, skin, and nail support.
