Other Ingredients: Microcrystalline Cellulose, Magnesium Stearate, Vegetable Capsule

B-vitamins

help convert food into energy, support brain function, and maintain a healthy nervous system.

Vitamin C

is an antioxidant that supports immune health, collagen production, and promotes healthy skin.

Vitamin D

plays a crucial role in bone health by aiding calcium absorption and supporting immune function.

Vitamin E

is a potent antioxidant that helps protect cells from damage and supports healthy skin.

Usual adult dosage is **2 capsules**

by mouth once daily, or as prescribed by a licensed medical practitioner.
